

SUPER DECK D SERIES GAS DECK OVENS

Model D-125
with optional casters

SPECIFICATIONS

BAKERS PRIDE Super Deck D Series gas Deck Ovens are designed for high volume pizza, baking and all-purpose operations.

Ovens may be stacked two high. Oven exteriors are all heavy-gauge, type 403 stainless steel and are fully insulated up to 5" (127mm) thick for cooler outer temperatures and consistent interior temperatures.

Interior oven frame is constructed of 1/4" (6mm) heavy-duty angle iron frame, completely welded to form a single, unitized section. The oven body and lining are then welded to the framework.

Oven interiors are manufactured of high-heat resistant 16-gauge aluminized steel. Doors are fully insulated, spring balanced with tubular steel handles and will remain open or closed until moved.

All models feature independent, operator-controlled top & bottom heat control dampers and micro slides for perfectly balanced results.

D Series features a 300°-650° F (149°-343°C) throttling thermostat, 10" (254mm) interior deck height with 1 1/2" (38mm) thick Cordierite hearth decks (steel decks optional) and are supported by a 1/4" (6mm) angle iron frame.

Combination gas control incorporates a manual gas valve, safety pilot and pressure regulator. Easily removable, slide-out, heavy-duty flame diverters distribute the burner flame uniformly in the burner chamber. A 3/4" (19mm) NPT gas connection is located on the left side and left rear of oven - operator/installer may choose.

Heavy-duty, 7-gauge hot rolled steel legs are standard and finished with durable Bakertone gray paint.

1 Year limited part and labor warranty standard.

Job _____ Item # _____

GAS DECK OVENS

- Model D-125 Single
- Model D-250 Double

STANDARD FEATURES

- D Series @ 125,000 BTUH per deck natural gas or 105,000 BTUH in LP gas (LP gas not CE certified)
- 300°-650° F (149°-343°C) throttling thermostat
- Top & bottom heat control dampers & micro-slides
- Combination gas controls with valve, regulator & safety pilot
- Heavy-duty, slide-out flame diverters
- 10" (254mm) interior deck heights with 1 1/2" (38mm) thick Cordierite hearth decks
- All stainless steel exteriors
- Aluminized steel interiors
- Spring balanced, fully insulated doors
- Left side or rear gas connections
- 7-Gauge legs
- Fully insulated throughout
- 1 Year limited part and labor warranty

OPTIONS & ACCESSORIES

- Steel decks
- 150°-550° F (65°-288°C) bake thermostat
- 350°-700° F (149°-371°C) high-heat thermostat
- Set of 4 casters - two with locks
- Stainless steel leg covers
- Special height legs
- Automatic oven starter
- Draft flue for direct vent (not available on CE units)
- Black powder coated doors with hard wood handles
- Black powder coated hinged control access door panel
