**THOUGHTFULLY DESIGNED TO DELIVER MORE FOR LESS.....**

**Take a close look at a Bar Maid and you'll realize that you've found what you're looking for.....**

**BLE-100 1 HP**

The perfect Bar Blender starts off with a powerful 1 HP, 22,000 RPM, 2 speed motor. Coupled to the base sits a virtually unbreakable 48 ounce polycarbonate container featuring.....

- 1) The ultimate clutch coupling system, secures the container and reduces noise.
- 2) Unique container "ribs" that help push contents into the blades.
- 3) A heavy-duty ball bearing stainless blade system and virtually indestructible silicone gasket ....built for the tough stuff.
- 4) Convenient stackable containers.
- 5) Stainless steel containers also available.

The Bar Maid BLE-100..... the perfect blend of performance, reliability and value.

**User replaceable parts and accessories**

Polycarbonate 48 oz Container	BLE-1-11606
Stainless Steel Container	BLE-1-11606SS
Blade Assembly	BLE-1-4006A
Clutch	BLE-1-14006

**BLE-200 2 HP**

If you're looking for a "Work Horse" Blender.....look no further. The new BLE-200's powerful 2 HP motor and convenient preprogrammed "Touch Pad" control makes blending as easy as 1, 2, 3....

- 1) Large 64 oz. polycarbonate container with heavy duty metal to metal drive. Unique container "ribs" direct contents into the heavy gage stainless steel blades.
- 2) Thick rubberized pad reduces noise and vibration.
- 3) Overload switch protects the motor and extends life.

**User replaceable parts and accessories**

Polycarbonate 64 oz Container	BLE-2-3008A
Clutch Assembly	BLE-2-4008A

**Bar Maid Blenders are covered by a one year limited warranty. See our web site for complete warranty details.**
