Double Duty Refrigerated Deli Case

HDC48SC

Designed using the highest quality materials and components to provide the user with colder product temperatures, lower utility cost and exceptional food safety.

Oversized, factory balanced, refrigeration system holds for the best in food preservation.

300 series stainless steel exterior, and interior. The very finest stainless with higher tensile strength for fewer dents and scratches.

Automatic defrost with a built in condensate evaporator system.

Entire cabinet structure is solid foamed-in-place using a new, innovative, high density, polyurethane insulation.
