## BM60SC

- ➔ Designed using the highest quality materials and components to provide the user with colder product temperatures, lower utility cost and exceptional food safety.
- ➔ Oversized, factory balanced, refrigeration system holds for the best in food preservation.
- ➔ 300 series stainless steel exterior, and interior. The very finest stainless with higher tensile strength for fewer dents and scratches.
- ➔ Automatic defrost with a built in condensate evaporator system.
- ➔ Entire cabinet structure and solid door foamed-in-place using a new, innovative, high density, polyurethane insulation.
